THE UNIVERSITY OF UTAH ASIA CAMPUS
University of Utah
Salt Lake City, Utah, USA

The University of Utah is the flagship institution of higher learning in Utah and has been providing world-class education for more than 146 years, making it one of the oldest institutions in the western United States.

Undergraduate Degrees
Bachelor of Arts (B.A.) Bachelor of Science (B.S.)
Our academic programs are designed to be hands-on, engaging, and collaborative while focusing on critical thinking, group projects, peer feedback, and faculty mentoring. All students take general elective courses in their 1st year and declare their major in their 2nd year. Students can also choose to double major or minor while studying at the Asia Campus.

COMMUNICATION, B.A./B.S.
A degree in communication prepares you for careers in the areas of public relations, advertising, marketing, journalism, and more.

FILM AND MEDIA ARTS, B.A.
A degree in film and media arts offers students not only in-depth understanding of film, but also animation, game design, and social media.

PSYCHOLOGY, B.S.
A degree in psychology provides excellent preparation for careers in education, human resources, case work, or for advanced degrees such as social work, medicine, law, or business.

URBAN ECOLOGY, B.S.
A degree in urban ecology prepares you to understand the complexity of life in cities and pave the way for careers in government agencies, conservation organizations, or real estate developments.

CIVIL AND ENVIRONMENTAL ENGINEERING, B.S.
A degree in civil & environmental engineering prepares you for careers in the field of construction management, groundwater contamination, transportation design and planning, and measuring quality of air, water, and land.
